Modern, modular, concave seat design. Mix and match upholstery fabrics, multipurpose compact laminates, solid surfaces, and powder-coat colours.

**Description** Modest modularity and organic forms define the Nexus concave seat that can be integrated with other modular lounge seating elements, tables, planters and litter bins that interconnect in multiple ways to become a central meeting place in a range of indoor spaces. Suitable for shopping centre breakout areas, educational collaborative spaces, transit zones and commercial lobbies, Nexus is both highly versatile and flexible. Available in an extensive range of hard-wearing materials, finishes and colours, Nexus can be customised to suit your next interior project.

**Made In** Australia

**Dimensions** 2700mmW x 1040mmD x 835mmH  
Seat height: 450mm  
Seat depth including backrest: 730mm  
Seat depth up to backrest: 530mm to 565mm due to tapered backrest.

## Care Instructions

### Baresque Upholstery Fabrics

Use a cloth with any of the following in preferred order of use:

1. Clear warm water
2. Mild solution of liquid detergent and warm water
3. Isopropyl Alcohol (rubbing alcohol)

Remove any detergent with a clean, damp cloth. Gently pat dry.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (mix 10% bleach with 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Do not use solvent based or concentrated abrasive cleaning agents, lacquer thinners or nail polish remover as these may cause discolouration over a period of time.

Always test in an inconspicuous area first.

### Multipurpose Compact Laminates | Laminex®

A damp cloth will remove spills and greasy spots. Rub with a clean dry cloth to bring back brightness. Occasionally clean with mild dishwashing detergent. To remove heavy build-up of dirt use cleaners such as Mr Muscle, Windex, or Ajax Spray n Wipe spray cleaners.

Do not use strong acidic, alkaline cleaners or bleach for normal cleaning as these might etch the surface.

### Solid Surfaces | Corian®

Generally, when caring for Corian always start with a simple clean eg. using a damp sponge or cloth. Avoid using abrasive scouring pads for routine cleaning. Rinse clean.

For a deep clean of stubborn stains, a more thorough clean and refresh using a mild abrasive cleanser is recommended like Gumption, JIF Cream Cleanser or Ajax cream or powder cleanser. Firmly wipe with a damp cloth using a wide circular motion. Always finish by rinsing and wiping your surface with a damp cloth or sponge.

### Powder-Coat Finishes

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Additional Comments

Commercial-grade, high-density foam with a dacron top layer is used for padding and comfort.
