CONNECT CIRCLE HALF MEDIUM LOW BENCH

Seating » Benches

Modern, modular, circular half bench seating in a medium low size with Blackbutt hardwood battens and a steel frame in 27 powder-coat colours.

Description

Connect circle half medium low modular bench seating is versatile, durable, and sustainable, making it suitable for a wide range of outdoor or indoor spaces. This can be used as a stand-alone product or paired with the range of 18 seating modules, consisting of geometric shapes, and interlocking elements that can transform any public space into a social hub.

Choose from circular or oblong seating designs with integrated urban planters and tiered heights to create simple to complex configurations. Designed in-house and made locally, Connect features certified Blackbutt hardwood battens with bullnose edging and a steel frame in 27 VOC-free powder-coat colours that can be customised to suit your project.

Made In

Australia

Dimensions

45"W x 23D x 18"H
(1155mmW x 575mmD x 450mmH)
1145mmW x 605mmD x 450mmH

Hardwood battens: 140mmW x 42mm thickness
Spacing: 5mm gap between battens

Fixing Detail

Fixed by others. Fix direct to a concrete slab or through pavers and into a concrete slab.

Depending on the location, the seating modules can be placed without them being fixed to a slab.

It features an unenclosed side, which needs to be positioned against a vertical flat surface.

How to Specify

Select your batten finish
Select your frame finish

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Additional Comments

Hardwood is treated with a UV-resistant oil finish.

Integrated lighting and power on request.
