CONNECT OBLONG DOUBLE BACKREST MEDIUM LOW SEAT

Modern, modular, oblong seat with a double backrest in a medium low size with Blackbutt hardwood battens and a steel frame in 27 powder-coat colours.

Description

Connect oblong double backrest medium low seat is versatile, durable, and sustainable, making it suitable for a wide range of outdoor or indoor spaces. This can be used as a stand-alone product or paired with the range of 18 seating modules, consisting of geometric shapes, and interlocking elements that can transform any public space into a social hub.

Choose from circular or oblong seating designs with integrated urban planters and tiered heights to create simple to complex configurations. Designed in-house and made locally, Connect features certified Blackbutt hardwood battens with bullnose edging and a steel frame in 27 VOC-free powder-coat colours that can be customised to suit your project.

Made In Australia

Fixing Detail	<p>Fixed by others. Fix direct to a concrete slab or through pavers and into a concrete slab.</p> <p>Depending on the location, the seating modules can be placed without them being fixed to a slab.</p>
How to Specify	<p>Select your batten finish</p> <p>Select your frame finish</p>
Care Instructions	<p><u>Hardwood</u></p> <p>Cleaning</p> <p>Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.</p> <p>Oiling</p> <p>Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.</p> <p>To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.</p> <p><u>Powder-Coat</u></p> <p>Cleaning</p> <p>Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.</p> <p>Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.</p> <p>Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.</p> <p>Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.</p>
Additional Comments	<p>Hardwood is treated with a UV-resistant oil finish.</p> <p>Integrated lighting and power on request.</p>
