TERRAIN CANTILEVERED BENCH

Seating » Benches

Contemporary wall-mounted seating. Solid, trapezoidal, hardwood battens in 5 colours with a sleek steel frame in 27 zinc-primed powder-coat finishes.

Description	The juxtaposition of solid, hardwood battens and a sleek steel frame is unified with trapezoidal design elements that add strength and visual appeal to the Terrain cantilevered bench. Finishes include 5 hardwood and 27 zinc-primed powder-coat colours. Terrain is a high-quality collection that adds a robust, contemporary feel to public spaces.
Made In	Australia

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Additional Comments

Hardwood is treated with a UV-resistant oil finish.
