URBAN CANTILEVERED SEAT

Seating » Seats

Timeless wall-mounted seat. Hardwood, Duraslat™ XG, aluminium battens with an elegant cast aluminium frame in 27 powder-coat finishes or polished.

Description

Referencing Paris's famous wrought ironwork, curved cast aluminium framing is complemented by muscular hardwood, Duraslat™ XG surfaces or aluminium surfaces to offer a timeless Urban cantilevered seat. The design neatly fits off existing walls to create seating alcoves with minimum fuss. An understated design, wide array of finishes, and easy floor cleaning makes this versatile seat ideal for a wide array of exterior and interior applications. Finishes include 5 hardwood or 5 Duraslat™ XG colours and 27 powder-coat finishes or a polished aluminium finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

Sustainability	Certified Hardwood All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system. Recycled Materials We locally source our aluminium. It means we know it uses recycled content and is 100% recyclable. Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials. Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
Warranty	5-year warranty. View the warranty for more details.
Lead Time	4-6 weeks
Assembly & Delivery	Shipped fully assembled on pallets.
Fixing Detail	Fixed to a structural wall by others. Anchors not included.
How to Specify	Select your length Select your armrest style and quantity (optional) Select your batten finish Select your frame finish Select your fixing type

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™ XG

Cleaning

Simply wash down occasionally. Do not use high pressure cleaners.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Additional Comments

Local manufacture allows us to tailor the length, use a hardwood species to your custom requirements or Add On accessories such as memorial plaques and skate stoppers.

In the hardwood finish, this seat can be ordered with Urban accessible armrests to meet the guidelines of Australian Standards 1428.2, and with correct installation, will aid in achieving project DDA compliance. For more details, follow the link: [Accessibility info](#).

For AS1428.2 seats in other finishes, contact us for more information.

Mid armrests also available.
