Simple, durable table design. Hardwood, Duraslat™ XG, aluminium battens with steel posts and base plates in 27 powder-coat or galvanised finishes.

Description	The Verge table is simple in design and highly durable. Hardwood or duraslat™ battens work with cylindrical steel posts and circular base plates to add a functional and utilitarian feel to spaces you know are going to get their fair share of wear and tear. Finishes include 5 hardwood or 5 Duraslat™ XG colours and 27 powder-coat finishes or a galvanised finish.

Sustainability	Certified Hardwood All hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system. Recycled Materials We locally source our steel and aluminium. It means we know it uses recycled content and is 100% recyclable. Duraslat™ XG is made from 90% of recycled hardwood fibres and reclaimed plastic materials, which reduces demand for virgin materials. Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs).
Warranty	5-year warranty. View the warranty for more details.

Lead Time	4-6 weeks
-----------	-----------

Assembly & Delivery	Shipped fully assembled on pallets.
---------------------	-------------------------------------

Fixing Detail	Post fixed by others - surface fixed or core-holed. Anchors not included.
---------------	---

How to Specify	Select your length Select your batten finish Select your frame finish Select your fixing type
----------------	--

Care Instructions	<u>Hardwood</u> Cleaning Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth. Oiling Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour. To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required. <u>Duraslat™ XG</u> Cleaning Simply wash down occasionally. Do not use high pressure cleaners. <u>Powder-Coat</u> Cleaning Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
-------------------	---

Additional Comments	Optional 316 stainless steel frame finish available on request.
