Contemporary, minimalist bench design, featuring 13 design options. Highly durable, slim aluminium profile available in 27 powder-coat colours.

Description	Combining a minimalist, slim-line aluminium profile with an industrial-grade powder-coat finish, the Botanist bench cleverly conceals the true strength and durability of each piece for indoors or out. Designed by world-renowned creatives, including Karim Rashid (Orikami), Yves Behar (Pixel Burst) and Dario Antonioni (Flow), the Botanist bench is available in an array of cut-out designs and powder-coat colours to suit your project requirements.

How to Specify	<div>Select your design</div> <div>Select your powder-coat colour</div> <div>Add your cushion (optional)</div> <div>Select your fixing type</div>
Care Instructions	<div>Powder-Coat</div> <div>Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.</div> <div>Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.</div> <div>Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.</div> <div>Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.</div>
Customisable	<div>Made locally, custom laser cut-out designs are available to suit your project requirements that can include adding your own logo or design.</div> <div>Optional fixed seat pad available. Indoor use only.</div>
Additional Comments	<div>Powder-coat recommendation is to use a textured or matt finish. The large flat surface areas of powder-coating can highlight imperfections or uneven surfaces when a gloss or satin finish is used.</div> <div>All Botanist pieces feature a strong support structure and anti-theft security feet.</div> <div>Outdoor use. Suitable for marine locations with suitable fixing hardware.</div>
